

COURSE DETAILS FOR
PNG NATIONALS
COMMERCIAL
PILOT LICENCE

ABOUT

MAF Training Centre's Commercial Pilot Licence (CPL) course for Papua New Guinea nationals, brings specific knowledge and skills required to become a commercial pilot in PNG through a full-time, 20 month program in conjunction with Aviation Australia.

With MAF's extensive experience in PNG and CASA's PNG approval, the MAF Training Centre offers training to an unprecedented level of industry readiness. Mareeba's ideal location, and the in-country flying blocks in PNG will teach how to navigate challenging climates, geography and weather conditions.

The training is calculated for 15 months (*full time*) towards CPL and 5 months for Instrument Rating (IR). The training will be conducted by experienced instructors. Additional coaching will be given by a PNG instructor with two diplomas in aviation.
